

# Offerings

## Xfinity Communities Exclusive

Enhance connection, simplify communication, and empower your staff —right through your residents' TVs.

### What is InTouchLink?

InTouchLink is a powerful engagement and communication platform that helps communities easily share content—like menus, activities, announcements, and more—directly to residents' TVs

- ▶ Custom TV
- ▶ Mobile App
- ▶ LiveBroadcast

Best For:

Senior Living

Multi-Family

Healthcare Campuses

Student Housing

Available on:

### How It Works With Xfinity

InTouchLink integrates directly with your existing Xfinity infrastructure, requiring no on site hardware or tech lift from your team.

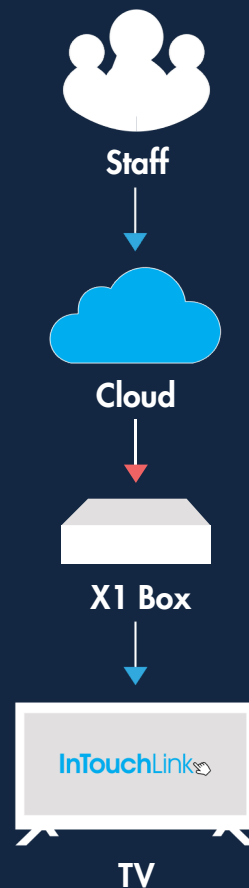

- ✓ No New Hardware Installs
- ✓ Compatible With IP or QAM
- ✓ Fully Remote Configuration through an app on the X1 box

### Why You'll Love It

Reduce Staff Burden | Easy Tools, Minimal Effort

Inform & Engage | Activities, Menus, Announcements & More

Elevate Experience | Branded, Modern Resident Engagement
